

# Passport to your future

## Your future, your hands

### The selection criteria were:

1. Somebody that shows passion and enthusiasm for the traineeship.
2. Somebody that shows a commitment to pursue a career path in the heritage industry.
3. Somebody that can demonstrate that they will benefit from this experience by:-
  - a. Describing the benefit that this opportunity will bring to them as a person; how it will help them to build a different future and what impact this will have.
  - b. Describing how Passport to your Future will help them do this as opposed to any other opening?
  - c. Describing how this opportunity will help them reach their potential.
4. Somebody that has the ability and skills to carry out the tasks required.  
(This was base line and not quantitative – people either had them or they did not).

### The abilities and skills that are required are:

1. The ability to complete the Heritage Skills Passport; carry out the skills in the passport and work with the mentors to achieve the assessment criteria.
2. Be assessed by:
  - Being directly watched.
  - Or... Somebody inspecting the product you have produced at the end.
  - Or... Being asked oral questions or written questions
  - Or... Somebody writing a witness statement.
  - Or... By collecting evidence of how you have achieved each of the skills in such ways as
    - Photos
    - Films
    - Written evidence
    - Witness statement
    - Audio
3. Take initiative for coordinating the administration required.
4. The other abilities and skills will come from the Accessibility needs audit.
